Idaho Parent Network for Children's Mental Health Virtual Workshop Oct. 12-16

Laura Wallis, Co-Director, Idaho Parent Network for Children's Mental Health

Since October 2016, the Idaho Parent Network for Children's Mental Health has hosted an annual workshop for parents of children with mental health concerns. Every year they gather to support each other, discuss changes in children's mental health care, and learn about the Youth Empowerment Services (YES) system of care. While the event has historically been held in Boise, and attended in person, this year the workshop has gone virtual, which means more people have the opportunity to participate.

5th Annual
**Parent Network
Workshop**
October 12-16, 2020
Virtual Sessions
11 am and 12 pm MDT
Daily

Who is invited?

Parents of children with mental health concerns, advocates, providers, local and state agency staff, local and state lawmakers.

When is it?

October 12-16, 2020, with the first daily session starting at 11 am and the second daily session starting at 12 pm MDT.

What does it cost?

All sessions are free, but limited to 95 guests per session.

Who is presenting?

National, state, and local experts are joining together to discuss topics of interest to families of children with mental health concerns. Information on all presenters is available with the registration links.

How do I register?

Visit idahoparentnetwork.org/workshops
You will need to register for each session individually.
